Media information

TRANSPORTFORUM – NORWAY

Transportforum is the trade magazine for Norwegian bus, coach and freight companies. Among our readers you will find operators bus and coach, freight operators, transport authorities/executives and planning bodies, politicians and Government Transport and Environment Ministries, manufacturers, transport students and teachers. The decision-makers of Norwegian transport business, having about 10.000 vehicles at their disposal, are subscribers of Transportforum.

Transportforum's publisher is NHO Transport – a federation of Norwegian transport companies (earlier Transportbedriftenes Landsforening). The members of the federation are among the largest transport companies in Norway within public transport, light rail services, coach and bus services and freight transport.
